Atatiana Project Gala

Join The Atatiana Project Gala as we come together to celebrate and support urban youth interested in pursuing careers in STEAM (science, technology, engineering, art, and math) for a fun night of cocktails, dinner, dancing, bidding on fabulous live and silent auction items, musical entertainment and so much more!

Gala proceeds will support The Atatiana Project's mission to inspire, educate, and grow upcoming generations from under-resourced communities by providing access to high-quality education in the fields of STEAM. Please review our sponsorship packages, silent action options, and program advertisements opportunity and learn how you can support the community, engage with participants, and promote your business!
